

Kristen Freeman  
Physical Testing Supervisor  
Ash Grove Cement Co  
11011 Cody Street, Suite 125  
Overland Park, KS 66210  
[kristen.freeman@ashgrove.com](mailto:kristen.freeman@ashgrove.com)

Kristen Freeman has been with Ash Grove Cement Company in the Technical Center since 1999. She was the Geologist/Petrographer for 16 ½ years, and then the Physical Testing Supervisor since 2015. She is a graduate of the University of Wisconsin at Oshkosh with a B.S. in Geology, and has an M.S. degree in Geology from the New Mexico Institute of Mining and Technology where she worked on her thesis on Alkali Silica Reaction and New Mexico Aggregates. She is a past president and current secretary of the Kansas ACI Chapter, a member of ATSM C09, and is an associate member of ACI committees 221 and 225.
